Recommendation Letter

Jana Kostić is an energetic young woman who worked for our family agency on various design jobs including logo design, web design, and UI/UX design, from August 2022 to July 2024.

Jana has been a great asset to our agency since she started working with us. Able to work with minimal supervision and able to ensure her work demonstrates efficiency. Her job required her to face different challenges every day, which she solved quickly, efficiently, and with high quality, to the satisfaction of our clients.

Being a responsible employee, she was an excellent source of ideas and solutions for various clients' wants and needs and worked diligently to fulfill all her responsibilities.

I highly recommend Jana for similar design jobs because I believe with all my heart that she will exceed the expectations of future employers, just as she exceeded ours. Please feel free to contact me (+381 62 518 180) with any additional information you may need to process her job application.

Sincerely,
Ivica Kostic
